

6 January 1986
MLD-6001

MEMORANDUM FOR: Director, Foreign Broadcast Information Service

FROM : Chief, London Bureau

THROUGH : Chief, Operations Group

SUBJECT : Monthly Report - London Bureau - December 1985

I. GENERAL

One-time PMU Russian monitor [] whose more recent career has been in the publications side of the Monitoring Service, has been selected to fill the post of Editor, News and Publications, vacated by now-Acting General Manager Roland Challis. In other Monitoring Service developments the American firm Honeywell has been awarded the contract for BBC's computerization program. And in another step along that path, the BBC house organ ARIEL in the 31 December issue advertised a new position of Manager, Engineering Services at Caversham, responsible for "overall coordination of all maintenance activities including satellite receiving facilities and the Monitoring Service's computer system," with staff of approximately 20.

II. OPERATIONS

A. Editorial/Monitorial

1. It was a record production year: the total of 34,162,150 words punched in 1985 surpassed the previous high year of 1974, with its paltry 31,625,960. This was also the bureau's busiest December in history, almost 10,000 words a day above the previous December high in 1981.
2. Appreciative messages were received from Chief, [] for the overall bureau and BBC performance in handling the Reagan-Gorbachev summit last month, and from Acting Wire Chief [] passing along consumer thanks for the coverage of Soviet media treatment of President Reagan's New Year's message to the USSR.

B. Technical

1. A test printout of the press facsimile signals from the 14 degree West satellite was conducted 2-8 December for comparison with the 53 degree E transmission. The same major papers are carried on both with the substantial exceptions of the second edition of KRASNAYA ZVEZDA and the weekly LITERATURNAYA GAZETA, which do not appear on the 14 degree bird. The papers are not necessarily transmitted in the same order on the two satellites. There is no backup signal on the 14 degree, as there is on the 53, and the

print quality from the 14 as taken via the BBC's two-dish is not up to the caliber of the 53 as taken via the Roset. However, availability of the pressfax signal on the 14 does give some backup assurance of coverage, albeit spotty, should the Roset be required for crisis coverage of another satellite.

2. Commo Unit has been running acceptance tests on the "BACH" - Bureau Automated Communications Header - program, which was received from Headquarters in floppy disc form early in December. While remaining minor problems with the format are still being identified, the consensus is that BACH is very impressive and produces headers of any size virtually instantaneously.

III. ADMINISTRATION

Cologne Unit Chief [] received his promotion to GS-13.

IV. VISITORS

To the bureau: Two of those attending the 9th International On-Line Information Meeting in London the second week of December dropped by the bureau for briefings. From Washington, [] visited Caversham on the 2nd for a bureau/BBC orientation, while Antwerp Unit Chief [] spent the 9th with the bureau's admin staff at the embassy. [], newly assigned by [] to handle coordination with the BBC and FBIS, spent 9-13 December at Caversham, visiting FBIS the first day and BBC the rest of the week. On the 18th Deputy Chief [] and PMU Chief [] gave a brief FBIS orientation to a guest of the BBC, Mr. Bill Kirkman, Secretary of the Career Service of Cambridge University, whom the bureau may contact in future quests for linguists.

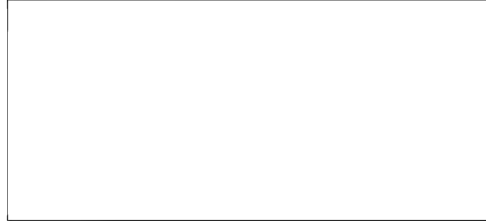

From the bureau: [] PMU Arabic monitor [] and JPRS Arabic contractor [] visited APTEC House in London on the 9th for a demonstration of IBM-PC software, reporting to Production Group on features of the available programs. Teletypist [] returned on the 2nd from a six-week working TDY at Mbabane.

V. YEAR-END MISCELLANY

The function room in the BBC Club's Portakabin was packed on the 20th for the FBIS Christmas party, complete with bar, band, and dinner, an event again engineered by Chief Engineer []. The previous afternoon PMUers, considering a Christmas party a totally inappropriate and frivolous celebration, held a wake to eat and (primarily) drink in memory of the recently deceased []. In THE TIMES, a letter to the editor

complaining that pub bars were too crowded with bar-sitters and left no room for the thirsty man was signed by one Dr. Lush. And the FINANCIAL TIMES marked the end of the holiday season by calling attention to a sign outside a sports shop: "Now is the discount of our winter tents."
